

Online Classroom & Behind-the-Wheel Driving

Enrollment Options

1. Portside Online Class:

Students can complete the classroom portion of Driver's Education online. This option is ideal for those who prefer online learning over the traditional 3-week classroom setting offered during the summer. Completing the course online allows students to obtain their instruction permit at age 15.

2. Bay Port Summer School Class:

Driver's Education is also available through Bay Port summer school. Information about this option is released in January, with registration starting in February. To be eligible for the driving portion at Bay Port, students must turn 16 on or before December 31 of that year. Students enrolled in Bay Port Driver's Ed cannot get their instruction permit until they turn 15 ½.

3. Portside Behind-the-Wheel Only:

Regardless of where the student takes the classroom portion of Drivers Ed, students can take the driving portion at Portside.
